Profile

A reliable and organized individual with a strong ability to manage multiple tasks efficiently and a positive outlook. Eager to take on extra responsibilities to help achieve team objectives. Proficient in **HTML**, **CSS**, **JavaScript**, with a talent for transforming creative concepts into practical applications.

Education

Bachelor's, Computer Science, *Virtual University* 10/2020 – 08/2024
Lahore, Pakistan

I.C.S, *Islamia Collage Railway Road* 09/2018 – 07/2020
Lahore, Pakistan

Experience

FocusTeck Training Bootcamp

I am completing a one-month bootcamp at Focusteck, where I am learning the fundamentals of web development, including HTML, CSS, and JavaScript. This program focuses on building a strong foundation in front-end technologies to create interactive and responsive web designs.

Skills

HTML — Proficient

CSS — Competent

JavaScript — Competent

Node.js — Amateur

React — Amateur

Express — Amateur

Projects

FYP: Online Toy-Finding Application

Developed a user-friendly web platform for discovering and purchasing toys using HTML, CSS, JavaScript, and PHP, featuring intuitive navigation, personalized recommendations, detailed product descriptions, and a streamlined checkout process.

WordNova Blog

Developed a full-stack blog platform where users can post and read technology-related content. Implemented form validation using **React Hook Form** and **Zod** on the frontend, ensuring robust input handling. Built a scalable backend with **Node.js** and **Express.js** to manage posts and user data securely.

Certificates

FocusTeck Training BootCamp

Successfully completed my software development bootcamp at focusteck.

English Proficiency

Got highest score in english proficiency course from virtual university.
